Substation List - LCR

Local Capacity Area Substation List Based on 12/15/2022

Note: Local RA substations are determined pursuant to the CPUC's annual designation of Local RA Areas and CAISO's *Local Capacity Technical Analysis* (<http://www.caiso.com/planning/Pages/ReliabilityRequirements>). PG&E is not responsible for any discrepancies between Local RA Areas and listed approximate substations. Eligibility for the Location Bonus pursuant to PG&E's AB1613 program is subject to verification by PG&E prior to PPA execution.
